

CERAMIC COOKTOP / 4 HOB // 60cm

SCCN60

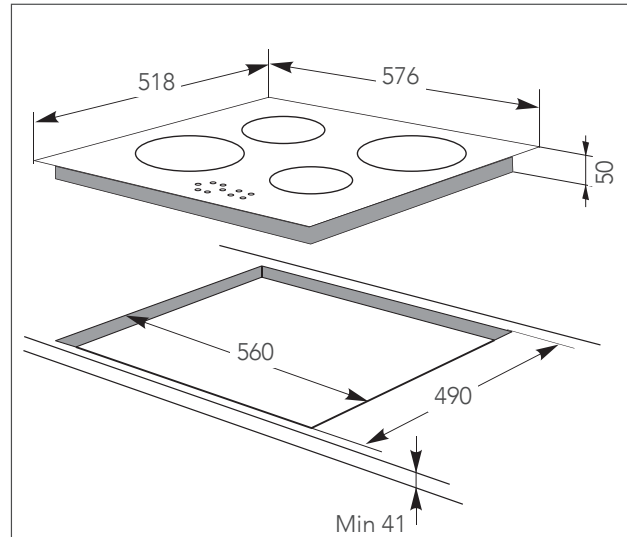

- **Automatic Warm-Up Function** - speeds up cooking time; boosts a cooking zone to full power for a set period then automatically returns to the power level you set.
- **Sensor control** - easy-to-use sensor control allows you to precisely set cooking levels.
- **Child lock** - ensure the cooktop cannot be switched on accidentally.
- **Residual heat indicator** - save energy by utilising any heat that's left after cooking your main dish – indicates temperature over 60°C as an added safety feature.

INSTALLATION Cooktop requires a hard wired connection from the main switchboard using a 240V supply with a dedicated circuit. Refer your qualified technician to our product manual.

CLEANING AND MAINTENANCE Easy clean glass top with recommended glass cleaning products. No abrasives, corrosive detergents, bleaches or acids are required.
